

# ***MG2023 Tour From Calgary To Home!***

## **July 21-23, 2023**

*After a great time in Calgary, come join the group for a tour home!* This tour will be traveling through scenic areas of Alberta, British Columbia, Idaho and Washington before arriving back home!

**When:** Return trip from Calgary is July 21-23  
MG 2023 Calgary is July 17-20  
(mg2023.org to register for MG2023)

**The Tour Plan:** The first day of the tour home will cross over the mountains near Banff in Banff National Park and travel South through the Kootenay National Park on the Kootenay Parkway to Radium Hot Springs. From Radium, the road will lead South along the series of lakes and Kootenay River to Cranbrook where we will spend the night.

The second day will focus on traveling South from Cranbrook on one of two travel routes that both end up at the Grand Coulee Dam where you will be able to watch a relaxing laser show on the dam in the evening across the street.

The third day will focus on traveling down Hwy 155 while viewing the Dry Falls, ghost towns, or Lenore Caves on the way home. Some may choose to split off at this point and travel Hwy 2 to northern home destinations while others can continue south to Vantage and home.

**Starting Point:** The starting point will be from the host hotel (Deerfoot Inn) at 9:00 a.m.

**Accommodations:** The following hotels seem to offer the best rates for the travel dates. The hotels marked with a check are the preferred hotel if available. Remember to reserve your room early to ensure a spot and ask for the AAA/AARP discount!
