

Drive Your MGA Day!

If you spent the winter getting your car ready for the upcoming driving season and feel like you would like to get out and take a drive, Drive Your MGA Day is the perfect kick-off event for you.

Kick off that old dusty, dirty,

oily set of coveralls, put on your best tuque and join the fun on May 6 as we take a short drive around the Puget Sound area ending with a nice lunch with fellow club members. While we can't guarantee Oahu weather, or a ride with Joan Blackman or Elvis, we can guarantee you'll have fun!

If you choose not to drive your MGA or Mulette, drive your B, Midget or daily driver, it doesn't matter as long as you're enjoying the day with fellow club members and having fun.

Date: May 6th

Time: 9:30 drivers meeting, departure soon after.

Starting Location: We will start at Donut Star in Auburn.

Their address is 914 Auburn Way S, Auburn, WA 98002. Get there a moment or two early so that you can get a donut and coffee for the drivers meeting!

On the way we will visit Flaming Gyser State Park and Canterbury Farms (if you love blueberries you'll love this stop) as we tour through the Green Valley area to Enumclaw where we will end our tour with a great lunch at the Rainier Bar and Grill 1623 Cole St, Enumclaw, WA 98022. There is ample parking nearby.
