

General Membership Meeting on October 15

Come join the fun with fellow MGCCNWC members on October 15th as we wrap up a great year and driving season at this year's general membership meeting at Ivar's Salmon House on Lake Union.

If you are not familiar with the Salmon House's location, it is underneath the freeway bridge on the North side of the Lake Union near Gas Works Park.

At this general membership meeting you will get to choose your entrée from 3 delicious options on the registration form that will be in the September MOWOG. In addition to a wonderful dinner, a no host cashless bar will available for members to enjoy as well.

The pictures in the left panel illustrate how spectacular the room and view are at the Salmon House.

The intent is to have a cake walk again since it such was a fun addition last year. If you are a great baker or know of a good bakery item that you could bring to the meeting, your donation would be greatly appreciated. Please contact Rosalie so that we can make room for your dessert treat.

We also intend to have a silent auction for MG related items at the banquet. Unfortunately, large items can not be brought into the restaurant. But all is not lost! If you have a large MG related item that you would like to donate for auction, please send a picture and description of your item to Rosalie Bottini or Lee Orphan and an auction placard will be made for your item for members to bid on.

To close, we believe that we have found a great location for everyone to enjoy and we look forward to seeing fellow club members and friends at this year's general membership.
