

# Museum of Flight Tour

Come join the fun as the club takes a tour of the Museum of Flight in Seattle.

The tour will be led by tour docents from our own club!

Tickets will be purchased individually, either online or at the entry desk. Note that discounts are available for seniors, AAA and veterans. Family and friends are welcome to join us. After purchasing tickets private tours will be available. Certainly not mandatory, the tours are highly recommended as you will not only see the airplanes but hear stories of the pilots that flew them.

After the morning tours we will break for lunch in the Wings Café, followed by additional tours or members can explore the many other exhibits on their own such as the Apollo Space Exhibit, the Space Gallery, the Aviation Pavilion, and more.

Plan of spending most of the day in order to see everything, be it airplanes or space.

**When:** March 16, 2024

**Where:** Museum of Flight at Boeing Field located at 9494 East Marginal Way South in Seattle (Boeing Field).

**Starting Point/Time:**

The tour will begin in the main entry at 10:00

**Note:** For planning purposes, we request RSVPs but there is no

commitment to attend if you change your mind. RSVP to Larry Kanaster at 253-566-2312 or [LarryKanaster@gmail.com](mailto:LarryKanaster@gmail.com)
