

A Tour to NAMGAR GT49!

Come join the fun as we embark on a club tour to Welches, Oregon for this year's North America MGA Register's GT49 that runs from July 15-19, 2024.

If you have never been to a NAMGAR GT national event, you have missed a great opportunity to mix with other MGA and MG owners while attending short tours, tech sessions, a chance to visit the Washington Air and Automobile Museum, and don't forget the big car show!

Keep in mind that the roads around the Mt. Hood Resort at Welches, Oregon, are terrific roads for exploring on the planned self-guided tours; and if you are a golfer, bring your clubs along to play on the course at the resort. Your navigator may enjoy the spa too!

When: July 14, 2024

Departure Point and Time: On Sunday, we will start in front of Sunset Ford along Hwy 410 in Sumner (166th St. Exit) at 10:00 and depart shortly thereafter.

How Are We Going To Get There? We will be traveling the backroads through Orting, Eatonville, Morton, Elbe, and Toledo on the way to Welches, Oregon. which are perfect to enjoy in our MG's. A lunch stop along the way will be planned as well.
