

Seafair Hydro Races Are Back!

Registration for the Seafair car show has finally opened!

It a great show to attend with the Blue Angles flying and other aircraft demonstrating their abilities as well.

Not to mention the main attraction of the current turbine powered hydros and the old school piston hydros.

And don't forget all the food and the pits!

You get to park your car on Lake Washington Blvd. essentially across the street from the pits.

The cost is \$40 and there are only 100 slots available per day. That \$40 will get you your parking place, entrance to the races and entrance to the pits along with all the other attractions for two people.

The club is planning on attending the Sunday, August 4 show.

If you have any questions, give Bobbie Berg (253-631-4421) or Lee Orphan (253-312-7200) a call

The link to register is

<https://www.seafair.org/carshow?rq=car%20show>

If you are registered and planning on going, please give Bobbie a call or email as she is keeping a list of attendees so we can all go in and park together for the show.

See you at the races!
