

Museum of Flight Tour

When: Sunday, March 16, 2025

Where: Museum of Flight at Boeing Field located at 9494 East Marginal Way South in Seattle (Boeing Field).

Starting Point/Time: The tours will begin in the main lobby at 10:00

Come join the fun as the club takes a tour of the Museum of Flight at Boeing Field in Seattle.

Tickets may be purchased individually, either online or at the entry desk. Note: Discounts are available for seniors, AAA, and veterans.

Family and friends are certainly welcome to join us. After purchasing tickets private tours will be available.

While not mandatory, the tours are highly recommended as you will not only see the airplanes but hear stories of the pilots that flew them.

Tours will cover the Great Gallery, from the Wright Brothers to the Blackbird, and World War I/II. Other tours will be available by the Sunday docents.

After the morning tours we will break for lunch in the Wings Café, followed by additional tours or members can explore the many other exhibits on their own such as the Apollo Space Exhibit, the Space Gallery, the Aviation Pavilion, and more.

You can preview the exhibits at www.museumofflight.org, along with the current prices.

Plan on spending most of the day in order to see everything, be it airplanes or space.

No RSVPs are needed, but if you have questions, please contact Larry Kanaster at 253-566-2312 or

LarryKanaster@gmail.com.
